

Faith Formation and Middle School Youth Ministry Calendar: 2020-2021

Each week, all grades K-8 should progress through their book (print or online) at the pace of the calendar. A session is a chapter of the book. Look at the index of your book (print or online) and read the session that corresponds with the number due that week. We will automatically give credit for any progress done online. Work done in print should be turned in through taking photos of completed pages. Thank you!
